Program Description:

The AHA's Heartsaver First Aid CPR AED course trains participants to provide first aid, CPR, and use an automated external defibrillator (AED) in a safe, timely, and effective manner. Reflects science and education from the American Heart Association Guidelines Update for CPR and Emergency Cardiovascular Care (ECC).

Contents & Modules:

- First aid basics
- Medical emergencies
- Injury emergencies
- Environmental emergencies
- Preventing illness and injury
- Adult CPR and AED use
- Opioid-associated life-threatening emergencies

Target Audience:

Intended for anyone with little or no medical training who needs a course completion card for job, regulatory (OSHA) or other requirements.

These courses can also be taken by anyone who wants to be prepared for an emergency in any setting.

Program Descriptions:

- **Training Hours** : 8 hours over a single day.
- **Training Venue** : RAQI Training Location & Customized for different organizations.
- **Training Certification** : AHA Heartsaver First Aid CPR AED course completion card is valid for 2 years.
